

Score	Balance, Use of Space, Accuracy	Craftsmanship, Well Crafted	Thin/Thick Lines	Appropriate Time Usage
4	<ul style="list-style-type: none"> Excellent visual balance of picture of all 3 components. 	<ul style="list-style-type: none"> Draw your entire project on your back under a desk. 	<ul style="list-style-type: none"> Excellent use of multiple types of lines (i.e. thick, thin, curvy, straight). 	<ul style="list-style-type: none"> Efficient use of time; finish project early or on-time.
3	<ul style="list-style-type: none"> Presents all 3 components. 	<ul style="list-style-type: none"> Draw half of your project on your back under a desk. 	<ul style="list-style-type: none"> Utilizes only 2 or 3 types of lines. 	<ul style="list-style-type: none"> Sufficient use of time; most time spent creating the project.
1-2	<ul style="list-style-type: none"> Presents only 1-2 of the three components. 	<ul style="list-style-type: none"> Only part of your project is drawn under a desk. 	<ul style="list-style-type: none"> Utilizes only thick or thin lines. 	<ul style="list-style-type: none"> Insufficient time and effort; minimal time spent on art project.
NS	<ul style="list-style-type: none"> Presentation is irrelevant to the topic; unrelated. 	<ul style="list-style-type: none"> Did not draw the project; did not draw the project under a desk. 	<ul style="list-style-type: none"> Line quality is poor, not solid. 	<ul style="list-style-type: none"> Does not turn in project or project is incomplete or extremely messy.

- Give yourself the appropriate grade for your art work.
- Your drawing is large and accurate
- Some thick and thin lines are used and some black shape.
- You have written a paragraph below explaining the process used to create your work.
